Workshop

Coding and analyzing team interactions

When: March 22, 2018

Where: University of Hamburg, Von-Melle-Park 5, 3rd floor, room 3023

Workshop aim: Highlighting the potentials of interaction analysis, sharing ideas, initiating collaboration

Agenda:

- 09:30 Welcome and mini-pitches
- 10:30 Basics of interaction coding
- 11:30 Example 1 - Coding with act4teams
(Sanne van der Meer)
- 12:00 Example 2 – Developing the BIS coding scheme
(Paul Endrejat)
- 12:30 *1-hour lunch break in small groups*
- 13:30 Data analysis I: Summary statistics
- 14:30 Data analysis II: Detecting temporal patterns
- 16:30 Sharing ideas & discussing questions
- 17:00 Closing remarks and informal networking
(in Dutch: Borrel)

What to prepare:

Please prepare a mini-pitch (2 minutes, max. 2 PowerPoint slides) focusing on your research interests, your experience with interaction coding, and a current research challenge.

What to bring:

Please bring your own laptop and INTERACT software license.
If you don't have a license, please contact Annika:
